- Valve access retained and reinforced support with zinc strapping
- 2 models and 9 references are available in 14-, 15- and 16-inch format

INSTALLATION CONDITIONS

Quick and easy installation thanks to universal mounting

MARKET CONTEXT

To be suggested systematically:

- to customers who want to personalise their vehicle at a reasonable cost.
- to used vehicle services to improve the appearance of the vehicle and make the wheels look new again.

Wheel covers are one of the few parts capable of transforming the vehicle appearance regardless of the brand

DID YOU KNOW?

The products are available in the Eurorepar multi-brand accessories catalogue accessible via Service Box and the OI portal.
