EUROREPAR

CAMPER BATTERY

IGNITION / STARTING

2 REFERENCES

To assure the best coverage for Motorhomes

PRODUCT ADVANTAGES:

- **GEL** and **AGM** Batteries for Motorhomes
- Durable and resistant to corrosion
- Batteries produced in **Europe**
- Main Car park application Motorhome based on: Fiat Ducato, Citroën Jumper and Peugeot Boxer

On motorhomes & caravans, safety and comfort depend on an electrical supply to all equipment. This supply is usually provided by batteries, in charge of key operations such as food preservation, water supply, radio/GPS supply and room heating/cooling.

As efficient energy storage is crucial to keep the vehicle moving, ERP presents the new Leisure battery offer.

When you choose the right Leisure battery for a motorhome or caravan, the electrical supply will last longer, ensuring enhanced trip duration and comfort.

DON'T FORGET

Every time a vehicle is serviced or visits the workshop, offer your customers a free battery test with a view to replacing the battery as a preventive measure before it causes the vehicle to break down.
